Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/60

There is quite a lot in the design of our Handler Table Lamp to tempt lovers of contemporary design. The clean-lined metal base in a matte black finish for starters, and then there is the way it cleverly clasps the off-white linen shade. The black and white combination makes this just the type of study in simplicity that is so appealing when placed in rooms with modernism in their DNA.
