Item Weight: 8 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

We at Currey & Company take great pride in our ability to create artistry in glass. The Leona Table Lamp is an example, the textured blue glass it is made of seeming as if it is lit from within. While the glass was cooling from its molten state, our artisans scraped textured stripes into the surface of the glass to create this stunning lamp. We topped the Leona with a tall off-white shantung shade that brings the luminous composition a powerful profile.
