Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

It isn't until you are at eye level with the Strayer Table Lamp that you realize it is made of antique brown and blue glass. The pitted surface of the textural wonder reads like it is a less luminous material like aged metal or smoky terracotta, that is until the lamp is switched on and the blue begins to glint. We completed this industrial chic composition with an off-white shantung drum shade.
