Watts per Socket / Item: 150/150

As the saying goes, a leopard cannot change its spots, but our Yoshis Blue Table Lamp sure can, as we also offer this playful composition in a black version with red spots. Made of ceramic, the dotted curvaceous body has a blue field onto which white spots have been hand-painted. The metal base has been treated to an antique brass finish for an uptick in warmth, while the white linen shade adds a light touch to the lamp.
